Certificate of Battery Verification

The accessories(s) detailed below have been verified by the NCC as being compliant with the applicable product standard(s) based on third party test report(s)/certificate(s) obtained from reputable/recognised test laboratories and submitted by the applicant named below. This Certificate of Component Verification is valid for a period of 12 months from the date of issue.

Name : Elfa Elementenfabriek Ltd.
Address : 6 Burrough Court,
Burrough on the Hill,
Melton Mowbray,
Leicestershire
LE14 2QS
Class of Batteries Reviewed : Class A
Models : GLX-D

Brand name: : Galax-E

Date of issue : 02 August 2016

Verification Report Number : NCC/VB/A/078

This Verification Certificate is provided in accordance with the NCC Battery Scheme Document agreed to by the individual/company named above. Only the individual/company named on this certificate is authorised to copy or distribute this verification and then only in its entirety. Use of the NCC logo is restricted to the conditions laid out in the NCC Battery Scheme Document. Any further use of the NCC name in connection with the verified product must first be approved in writing by the NCC. The NCC is not a test laboratory or approval authority for those items detailed in this verification. This Certificate of Component Verification does not confer membership of the NCC on the individual/company named above.
